

Wall Mounted Cabinet-WMR

Wall mounted cabinet is for network applications in IT environment.

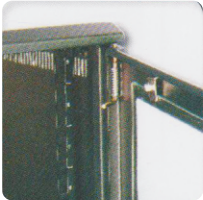

- Most competitive price in the market
- Tempered front glass door
- Adjustable vertical rail

Designed with provisions to integrate wall mounting, easy equipment access and cable management, WMR series wall mounted cabinets are perfect for network equipment in IT environment with limited floor space.

Features

A. Flexible Door Opening

The hinge system enables almost 180° opening of the door. Doors can be easily removed.

C. Adjustable Vertical Rail

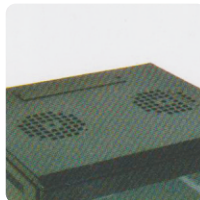

Front and rear pairs of vertical rails are free adjustable which simplifies mounting of the device and organization of connecting cables.

B. Small Round Lock

It enables an easy and quick access to the cabinet.

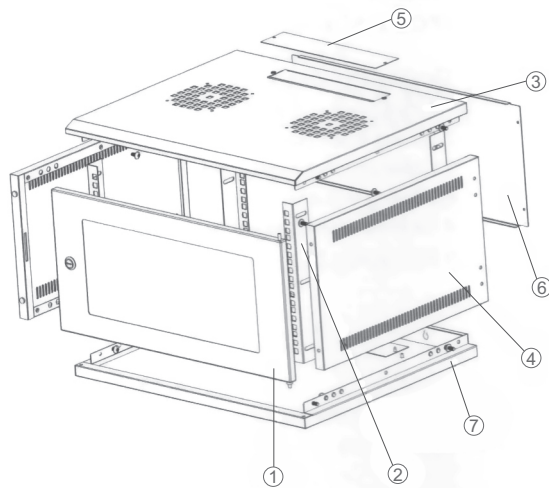

D. Metal Cable Entry Cover

Cable entry cover provides easy cable entry to reach the top and bottom.
